WHAT TO EXPECT FROM YOUR PHOTO SESSION

bella baby

IT'S A MOMENT YOU WANT TO HOLD *forever* IN TIME
CAPTURING IT *your way* IS ESSENTIAL

WHAT TO EXPECT

- It's a moment not to be missed! 90% of families say their session made this time more enjoyable.
- A 15-minute photo session that celebrates and captures these natural moments with the newest addition to your family
- A **professional** photographer will come to your room to create a **warm, unique experience** during your hospital stay
- Your beautiful gallery can be viewed soon after the photo shoot
- We make it **simple** to share and order your images in the hospital or from the comfort of your home
- Rest assured, Bella Baby's photographers work hand in hand with hospitals on all safety and health protocols

SIMPLY BEAUTIFUL

- Special items from home can be included to make your gallery personal.
- Family members in the room at the time of the photo shoot can join the celebration

OF NOTE

- If your baby is in the NICU you can call our NICU Hotline to coordinate your photography session: **888.569.5667**
